

**DECLARATION OF INTENTION
BETWEEN DEPARTMENT OF DORDOGNE (FRANCE)
AND KÖTIKÖVIZIG (HUNGARY)**

Between

Department of Dordogne (France), represented by vice president Francis Dutard,
Administrator of EPIDOR

And

Middle-Tisza District Environment and Water Directorate, KÖTIKÖVIZIG (Hungary),
represented by Varga László, Director general

Preamble

Within the framework of French-Hungarian cooperation agreement between Department of Dordogne and Jász-Nagykun-Szolnok-County, it was agreed to implement a cooperation programme with priority actions in the year 2007, mainly in the following topics:

- Environment
- Economic development
- Youth

Article 1. Partnership

Considering that the territorial organization of Jász-Nagykun-Szolnok-County in the topic of water management and environment,

Considering Middle-Tisza District Environment and Water Directorate (KÖTIKÖVIZIG) as a public directorate in charge of water management and environmental protection in the Middle-Tisza district,

Considering that Department of Dordogne contracted EPIDOR to complete the environmental mission.

It is proposed to implement a technical, administrative and financial collaboration between KÖTIKÖVIZIG and EPIDOR.

Article 2. Objectives of the partnership

This technical, administrative and financial collaboration would involve:

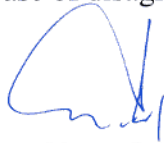

1. Transpassability of barrages (Kisköre)
 - Fish pass
2. Control of invasive aquatic vegetation
3. River space management
4. Flood defence
5. Communication strategy
 - Consultation
 - Public awareness

Article 3. Methodology

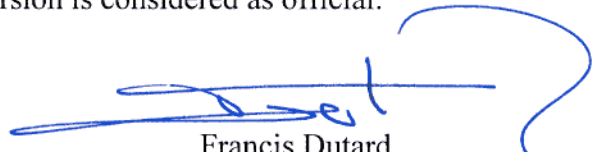

To realize the above mentioned, the 2 parties (KÖTIKÖVIZIG, Department of Dordogne) plan the following actions:

- Establish a communication platform for collaboration (Internet)
- Organizing an international seminar on one or more of the proposed topics of collaboration (proposed date: beginning of 2008)

This was written in Szolnok, on 31. 08. 2007. in two copies in French, Hungarian and English. In case of disagreement the English version is considered as official.
